**Subject:** Car parked on side of street

Ashley,

I forgot to include this picture with my previous e-mail to be shared with the Zoning Board of Appeals as well for Monday's upcoming meeting.

The black car was parked on High Plain Street near driveway to 254 High Plain Street at about 10:30 am on Wednesday, September 30, 2020. I saw the person leave the car and it looked like she was going towards 239 High Plain St which is the house two houses down from mine.

Again, thank you,  
Janis
